The 1990 F.U.N. Sale Prices Realized

JANUARY 5-6, 1990

TO OUR VALUED CUSTOMERS

January, 1990

Dear Fellow Numismatists:

We are pleased to bring you the Prices Realized for our 1990 F.U.N. Auction which was held on January 5 and 6 in Tampa. The total Hammer Prices Realized was over \$2.2 Million with the average price per lot being over \$1020. More than 350 floor bidders were registered along with a similar number of mail bidders. In addition, 100 consignors placed coins in this sale. We want to thank all those who helped make this sale a most successful one.

As you review the Prices Realized, you will note that slabbed coins (in particular, P.C.G.S. and N.G.C.,) brought the strongest prices. As a matter of fact, in many cases, the hammer prices were well over current American Numismatic Exchange (A.N.E.) bid levels! Clearly, such coins have gained widespread acceptance from collectors and investors.

Our next auction is the Georgia Numismatic Association Sale on May 25 and 26. Already, several important consignments have been received. There is still time for you to have your coins included in what promises to be another fabulous Mid-American sale. Call Dino Payne or me toll-free at 1-800-223-5954 for complete consignment information. We continue to offer exceptionally competitive commission rates along with the finest catalogues in the business. Cash advances are available, too.

For those of you with "Raw" coins, call us! We can get your coins graded by P.C.G.S. through their Auction Express Service for just \$30 per coin. The deadline for the receipt of "Raw" coins using this service is March 1. March 20 is the deadline for the receipt of already slabbed and raw coins.

Let us hear from you!

Sincerely,

A handwritten signature in cursive script that reads "Tom Mulvaney". The signature is fluid and elegant, with a long, sweeping underline that extends to the right.
